

## STABICRAFT 2900 Supercab

The standard Supercab features shortened cabin giving way to a monstrous 7.2m<sup>2</sup> cockpit. Designed for you and your friends to dance with the biggest game fish the ocean has to offer with full length gunwale storage for all of your game gear. Options like the Superfish transom give this boat serious credentials in the race to your prize catch. With a multitude of other options available like a full rear wall with sliding doors, multiple toilet options the 2900 Supercab can be what you have always wanted.
